“Isy è un sistema che parla la lingua della semplicità, non una operazione di design, ma una idea disegnata dall’acqua. Nulla di superfluo è in vista, solo l’indispensabile per il governo dell’acqua, grazie ad una innovativa soluzione tecnologica a scomparsa. Less is better, least is best.”

"The Isy system means simplicity, not a mere design but an idea coming from water flow. Thanks to an innovative technological hidden solution, nothing that is superfluous is in sight, only what is indispensable for regulating water. Less is better, least is best."

Matteo Thun

"Isy es un sistema que demuestra sencillez, no es una concepción de diseño, es una idea diseñada por el agua. Nada superfluo está a la vista, solo lo indispensable para la regulación del agua, gracias a una innovadora solución tecnológica oculta. Less is better, least is best."
