ADEX Gold Award — 2005

"Un oggetto scultoreo, dalle ampie superfici piane che, come uno specchio, interagiscono riflettendo la luce di uno spazio: l'ispirazione di Soft viene dall'architettura contemporanea dei loft e rimanda al prodotto con lo stesso tipo di luminosità e di fascino contemporaneo.

Volevamo disegnare un nuovo cult, un archetipo di assoluta qualità, che sapesse coniugare la purezza delle forme con la sensualità del lusso. Soft è così: in bilico tra moda ed evergreen, tra ragione ed emozione, tra vista e tatto. Leggibile con un semplice sguardo ma profondamente ambiguo come tutte le immagini riflesse."

"A sculptural object with extensive flat surfaces whose mirror qualities reflect the light of a space: Soft draws its inspiration from the contemporary architecture of lofts and refers to the product with the same type of luminosity and contemporary charm. Our aim was to design a new cult object, an archetype of absolute quality which combined formal purity with luxurious sensuality. This is Soft, balanced between fashion and ever green, between reason and passion, between sight and touch. It can be read with a single look, but remains as deeply ambiguous as any reflected image."

"Un objeto escultórico, de amplias superficies planas que, como un espejo, interacciona reflejando la luz de un espacio: la inspiración de Soft viene de la arquitectura contemporánea de los loft y remite al producto con el mismo tipo de luminosidad y atractivo contemporáneo. Queríamos crear un nuevo cult, un arquetipo de absoluta calidad que supiera conjugar la pureza de las formas con la sensualidad del lujo. Soft es así, en equilibrio entre la moda y el "ever green", entre razón y emoción, entre vista y tacto. Interpretable con una simple mirada pero profundamente ambiguo, como todas las imágenes reflejadas."
